

Important Update: Lithium Battery & Power Bank Carriage Safety Guidelines

Dear Trade Partner,

To ensure the highest standards of onboard safety and compliance with Dangerous Goods regulations, Oman Air has updated its Lithium Battery and Power Bank Carriage Policy. Please ensure these guidelines are communicated to all guests during booking:

Power Banks & Loose Batteries

- Must be carried in **hand luggage only**.
- Not to be used or charged during the flight.
- Should be kept **under the seat** or in the **seat pocket**, not in the overhead compartment.
- **Damaged, unlabelled, or defective batteries** will not be accepted.
- Maximum limits per guest:
 - Up to **100 Wh (27,000 mAh)** – allowed without airline approval (**max. 4 units**)
 - **101–160 Wh (27,000–43,000 mAh)** – requires airline approval (**max. 2 units**)
 - Above **160 Wh** – strictly prohibited (**except for mobility aids**)

Smart Bags

- Smart bags with non-removable lithium batteries are not permitted as **checked baggage**.
- Smart bags with removable batteries are allowed as **checked baggage** only if the battery is removed prior to check-in.
- **Removed battery** to be carried in the cabin **during the flight** and placed in the **seat pocket** or in the **guest's baggage under the seat**.

E-cigarettes & Vapes

- **Only allowed in hand baggage or kept with you during the flight** (not in checked baggage).
- Use or charging onboard are **strictly prohibited**.

Personal Electronic Devices (PEDs)

- Guests may charge **personal electronic devices** (such as phones or tablets) using aircraft charging ports only.
- Devices must always remain **under your supervision and in sight** while charging.
- **Loose batteries, power banks, e-cigarettes, and vapes** must **not** be charged during the flight.

Lithium Battery-Powered Vehicles & Personal Transportation Devices

- These devices **are not permitted on board, whether in carry-on or checked baggage**. Examples include: hoverboards, balance wheels, electric mini-scooters, mini-Segways, and similar devices.

We appreciate your continued support in keeping our skies safe and ensuring a smooth travel experience for all our guests.
